

Adoption Connections in Wagga Wagga

An opportunity for people affected by adoption and their family members to find out more about post adoption, current developments and “down the track” issues:

- How do I find out about my/ my child’s adoption?
 - How do I search for my child/ my parents/ my siblings?
 - Do I now have the right to find my birth father?
 - Post contact – down the track: I need help to try again.
 - After years of not knowing, I’ve found out I am adopted!
 - Doing search and reunion in an online age.
- **Hear guest speakers share their experiences of adoption and connect with others in a similar situation. There will be time for questions and informal discussion. Resources and books will be available.**
