

Planning your visit

It's important that you let us know you are planning your visit, so we can better assist you.

Both Museum sites

- We encourage students to leave their bags at school or on the bus. Arrangements can be made to leave bags in the foyer areas, however this is done at your own risk
- Restrooms are available at both sites

Historic Council Chambers site: There is disabled access to the museum, and disabled toilets are located within the Wagga Civic Centre

Botanic Gardens site: There is disabled access to the museum and a disabled toilet on site

Student Behaviour

The Museum is a place for everyone to enjoy – particularly school groups and children. We want students to have fun during their visit - however we ask that students don't run inside the Museum or around the Museum grounds.

Most important is **R.E.S.P.E.C.T**

- Respect for other people in the Museum – we ask that students consider other members of the public who may be visiting the museum.
- Respect for the precious objects in the Museum collection – we ask students not to touch the displays, or climb on objects in and around the Museum.
However they are encouraged to take part in interactive displays or Kidzone at the Botanic Gardens site

We value your feedback, and encourage you to spend a minute to fill in the form provided during your visit, so we can continue to improve our services.

If we can be of assistance in any way, please contact us.
